RE: INCREASE IN ALL NASCAM TARIFFS EFFECTIVE 1 FEBRUARY 2019

Over the past 25 years of NASCAM's existence, the organisation, in conjunction with all the music users, has overcome numerous amounts of hurdles and challenges. Despite all the challenges faced throughout the years, the tariffs have remained constant over the past few years.

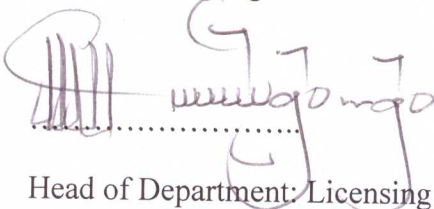

Unfortunately due to the increase in cost of living as well as products and services, NASCAM is left with no choice but to increase all our tariffs by 12.5%.

NASCAM hereby wishes to sincerely thank all its valued clients for their continued support during the years, and vow to maintain excellent customer service over the next 25 years, and beyond.

Kindly feel free to contact our office at 061-229116 or at namsoc@iafrica.com.na, for any further details.

Yours Sincerely,

Gabriel Amugongo

Head of Department: Licensing
